

The Vintage Sports Car Club of Victoria Inc

Formed soon after the completion of the war in 1945 by a group of motoring enthusiasts who realized that the Vintage cars they owned had very special features worth preserving. They liked to compete in their cars and so set the scene for the future.

The VSCC caters primarily for quality sporting cars manufactured prior to 1940. The Vintage class covers the period from 1919 to 1930 and the Post Vintage class covers the period from 1931 to 1939. Historic racing cars and cars manufactured prior to 1919 are also welcome. Cars are assessed by the committee for eligibility on request. It is not necessary to own a Vintage or Post Vintage car to become a member. You will be encouraged to participate in your eligible vehicle.

Member activities include: Hill Climbs, Rallies, Speed Trials, Circuit Racing, Social Events and Library Access

The Club has prospered over the years through the endeavours and involvement of its members for over 60 years ago. The Gatehouse clubrooms were established as the club's permanent home and are now the venue for the Members Monthly Meetings held on the second Friday of most months, at the rear of 110 Gatehouse St, Parkville at 8.00pm.

Membership Classifications

Member: A full member entitled to vote at meetings.

Family Member: A member's spouse/partner, and any nominated children living at home, and under the age of 25. These members are not entitled to vote.

Young Member: A Member 25 years old or younger. Proof of age may be required. Free entry to all VSCC run events during the first year of membership.
